Not Tonight

1 4
Someday I'm gonna settle down
1 5
Get my feet firmly on the ground
1 4
Find a way to finally do things right
1 5 1
Some day soon but not tonight

Chorus:

7 1
'Cause there's a full moon rising in the sky
4 5
My favorite friends are droppin' by
7 1
Good times are fixin' to begin
2 5
We'll party 'til the sun comes up again
1 4
Some day I'm bound to do things right
1 5 1
Some day soon but not tonight

Someday I'm gonna get in line
Leave my rough and rowdy ways behind
Get a life, stop wasting all my time
Maybe tomorrow – not tonight

Someday I'm gonna change my life
Find a sweet gal who wants to be my wife
Let the wild times slip into the past
And focus on the things meant to last
