Time for Goodbye

1 7 4 1
Is it time to start all over? Have we let love slip away?
7 4 1
Have we let our hearts grow colder? As we drift our separate ways?
7 1
As I look beyond tomorrow
7 5
I can't see you by my side
1 7 4 5 1
Is it time to start all over? Is it time to say goodbye?

Chorus:

2m 4 1
I can't live forever
4 5
Without love in my heart
2m 4 1
We can't find love together
7 5
We both need a new start

Verse 2:

If we say goodbye tomorrow, there's still time to start anew
And move beyond the sorrow, to find a love that's true
Maybe we, will both find new love
To stand by, each other's side
Is it time to start all over? Is it time to say goodbye?

Verse 3:

If we say goodbye tomorrow, there's still time to start anew
And move beyond the sorrow, to find a love that's true
